Great News!

We've started raising the necessary funds to secure the Synthetic Track at Gatley and we've got a fantastic idea to kick off the fund raising.

Donate a Square Metre of Track for only £25!

It's really easy and fun to do. Use the link below and follow the instructions.

Having a synthetic track surface will help us to keep it in a safe condition all year round and maintenance will be much easier. Some of the funding will come from grant applications but we need to raise in excess of £80,000 in addition to these grants. So please ask all your friends, your family, your colleagues, everyone you know to support us. Gift Aid means every £100 raised is worth £125.

<https://mydonate.bt.com/charities/manchesterharriersathleticclub-gatleytrackappeal>

A Giant Track Poster will shortly go up at the Club House and each Square can be marked with the name of the Donor, so donate your Square Metre and add your name to the poster!!!!!! We will be able to see progress - only 3192 squares to go!!!!

Please support us as we cannot do it without your support and with the Olympics taking place next year it is the perfect time to go for it!!!!

The site total will be updated weekly.

TWENTY-FIVE CLUB

Support the Club – it's only £4 to enter each draw and the usual aim is to have three draws in each 12 month period – i.e. it's only £1 a month and you get the chance to win £25, £15 or £10 at each draw.
